### **Professional Recommendations**

#### **Federica Fornaciari, Ph.D.**

Academic Program Director and Assistant Professor at National University, Department of Arts & Humanities

Dr. Van Hook is a brilliant professor and a passionate instructional designer. Students and colleagues are consistently impressed by the quality of Dr. Van Hook's work in and beyond the virtual classroom. In my career, I have met a few professors who are as motivated, proactive, and thought-provoking as Steve is. His approach to teaching and designing challenging and meaningful coursework has made a difference in our curriculum.

#### **Jeffery Davidson, JD**

Executive Director at Saylor Academy, Washington, DC

Dr. Van Hook is a top notch, student centered educator that would be an asset to any higher education institution or organization. He is knowledgeable, professional and a pleasure to work with. I recommend him without hesitation.

#### **Ing Phansavath, Ed.D.**

Program Director at UCLA Extension

Steven teaches several courses with UCLA Extension, and consistently delivers effective and engaging learning experiences for our students. He is an experienced educator who constantly challenges himself to learn and improve his teaching. His ability to be reflective about his teaching practice contributes to the constant innovations he implements with his teaching.

#### **David Migliorese, MA**

Vice President of Academic Services, Wiley Education

Steve is a wonderful subject matter expert and online instructor. He knows his students and his discipline, and he understands the online medium better than most. Steve delivers quality content that strikes just the right note every time. It was a pleasure working with him.

#### **Carla Lane, Ed.D**

Owner, The Education Coalition and Research Consultant

Steve is so talented, creative and downright smart. He's thorough in everything he does. What a pleasure it is to work with him.
